## Re-Opening Protocol & Guidelines

Artworks Studio will comply with the guidelines put in place by Thrive Gym, Maryland's Governor, as well as the CDC, ADA and Health Department.

**Artworks will be strictly enforcing all policies and procedures detailed in Thrive Gym's document.** If any patron of Artworks is unable or unwilling to comply with the policies and procedures herein, they will not be permitted to visit Artworks. This is for the safety of anyone who enters the facility.

As we begin to re-open the safety of our students, families & anyone who enters the building will be our top priority.

Upon re-opening, all Artworks camps, classes, events will be modified, have limited capacity and are subject to closure based on the direction of health officials.

## Ensuring your safety

Artworks staff has taken enhanced health & safety measures for you, your children & ourselves.

\*Prior to re-opening all Artworks staff will be required to attend training on the health & safety updates that Thrive Gym will be implementing.

\***Artworks staff and students (ages 5 and up) will wear a face mask** at all times & have their temperature taken upon arrival.

\*All Artworks staff will adhere to the cleaning requirements & physical distancing guidelines.

\*Artworks will enforce the maximum capacities that have been set by health officials. Camp ratios have been lowered to 10:2 (or two groups of 5:1) and class ratios 6:1.

\*Summer Camps: We have kept the camp assistant even though lowering our max in order to have a 2nd person to monitor physical distancing & continually clean art supplies throughout each camp day.

\*Tables will be spread out to accommodate appropriate physical distancing.

## Cleaning & Art supplies

\*Artworks will provide Supply bins for each table (2-3 students) and individual art supply bags that will be sanitized daily/weekly & not leave that table.

Continued...

## **Cleaning & Art supplies continued**

\*We will not use any art materials that have not been sanitized before class. We will be sanitizing all pencils, erasers, paintbrushes, water containers before and after every class. We will not be using art materials that cannot be washed (like crayons).

Supplies that can not be sanitized will be handed out individually and leftovers will be thrown away (beads, feathers, etc).

\*Students will sit in the same seat and art smocks will be provided & disinfected/washed daily.

\*Tables, chairs, sink area, door handles, etc. will be wiped down before & after every class.

## **Thrive Gym re-opening plan**

**Please carefully read through this document as Artworks is adhering to all additional guidelines provided:**

Parent/guardian expectations

Student expectations

Drop off & Pick up

Spot TV

& additional guidelines

**Thank you & we look forward to seeing you soon**

**~Artworks staff**
